## HE RECEIVED THE LIMIT

John Poe Will Have to Satisfy the Maximum Sentence for Assault.

HE IS ASKING FOR DAMAGES

Charles Pruett Thinks a Clubbing is Worth at Least \$5,000—Must Remove the Pole—Calendar for To-Day.

BUTTE, June 23.—Joe Poe, the man who shot Eugene Kelly some months ago, and who was yesterday permitted to plead guilty to a simple assault and battery, was this morning sentenced to 90 days in the county jail and to pay a fine of \$50, the limit that could be given him under the plea. In passing the sentence, Judge Speer said that the business of carrying and using guns was becoming entirely too frequent and is costing the county too much and it could not be overlooked. The court took into consideration the fact that the defendant had already been in jail five months, but even with that, he would be getting off very lightly by being given the full sentence, which will amount to 110 days in jail if he serves out the fine also. It was stated in court that one reason why Poe was permitted to plead guilty to assault was because Kelly, the man who was shot, would not voluntarily appear against him.

Charles J. Pruett to-day commenced an action in the district court against S. F. Fritchett, for \$5,000 damages. In his complaint he alleges that on the 12th of this month the defendant made a violent and unprovoked assault upon him and struck him over the neck with a club, and also over the left arm, breaking it below the elbow. The injury disabled him and prevented him from attending to his business. He also paid a \$35 medical bill and ever since the injury he has been unable to use his arm to his damage in the sum of \$5,000, for which amount, with costs, he demands judgment against the defendant.

An Injunction Granted.

Judge Speer this morning rendered a decision in the application of J. Fred Loeber against the Butte Electric Light company to restrain them from erecting an unsightly pole at the corner of the California brewery property on East Broadway. The claim was made that the pole had been placed there maliciously and that it was an obstruction to the sidewalk leading into the brewery. The court granted the petition and ordered a permanent injunction to be issued. He also ordered the obstruction to be removed. The defendant's attorney took exceptions to the court's ruling and applied for a stay of proceedings to grant him time to file a bill of exceptions on an appeal. A 15 day stay was granted on an appeal. A 15 day stay was granted on an appeal. A 15 day stay was granted on an appeal.

Foreclosure Ordered.

In the case of Arthur K. Irvine against J. R. Milne and others, the default of Milne was entered and judgment awarded the plaintiff for \$1,005, \$15 costs and \$150 attorney's fees. Judge Speer also issued an execution ordering the sale of lot 10, block 6, of the Butte townsite, the property mortgaged to secure the judgment.

H. A. Woods, attorney for J. Franklin, to-day commenced an action against Mary Schultz and others to recover judgment for \$457, claimed to be due for labor and material furnished for a brick building in the Davis & Bain addition. The claim is secured by a lien.

Pleasant Entertainment.

BUTTE, June 23.—The entertainment at the Christian church this evening proved a decided musical treat. The phonographic entertainment given by W. B. Burkett was greatly enjoyed by all. Miss Florence Smith pleased all by her solos. The violin solos by W. C. Batchelor and Mr. Osborne were finely rendered, and the Fitch quartette, in its several selections, was heartily applauded.

## A SMOOTH TALKER.

The Keeley Institute the Object of Attack by a Sick Swindler.

BUTTE, June 23.—A fine appearing man, about 5 feet 10 inches in height, with a blonde mustache and a fair complexion, well dressed and finely educated, landed in the city night before last, and took a hack for the Keeley institute in this city. Arrived there he gave his name as Alexander H. Irvine, an agent for the Keeley institute at Dwight. He got the matron to pay the hack bill, get him supper and pay for a messenger boy to get William McDermott. When Mr. McDermott arrived, Mr. Irvine, who is one of the glibest of talkers, and is evidently a graduate of Dwight, confessed that he was out of money, showed letters from Dr. Keeley, Senator Gorman and Matt Quay and exhibited a sack full of ore from Idaho mines, that he was about to develop. He said that he had been on a big spree recently and wanted to take the cure again so he could be in shape for his mining deals. The active part of the institute has recently been transferred to Boulder Springs, and Dr. Archer was there. Mr. McDermott kindly bought a ticket for Mr. Irvine to the springs, and there he met Dr. Archer. The doctor immediately sided him up as a man about whom he had received a letter from St. Paul a few days ago. The letter warned the doctor to beware of a man of the name of Irvine, representing himself as an agent of Dr. Keeley, but having no connection with the institute, who had borrowed small sums in St. Paul and had cheated an institution in Mississippi out of considerable money. Dr. Archer had nothing to do with Mr. Irvine. Dr. Lechner, the Keeley physician, was equally cold, and Mr. Beckwith wanted pay in advance for board at his hotel. Mr. Irvine, at last accounts, was still in Boulder.

Accused of Larceny.

BUTTE, June 23.—Oshelinda Varagues of No. 207 Broadway alley had a complaint sworn out before Judge Muldoon this evening, accusing Mrs. R. Vantour of grand larceny. She claims that Mrs. Vantour entered her room and took away four rings, one gold watch and chain, one gold medal and two breast pins, the total value being about \$70. The arrest was made by Constable Gillette. The defendant was arraigned before Judge Muldoon this evening, pleaded not guilty and the case was set for trial at 3 o'clock to-morrow afternoon.

May Join the Knights.

BUTTE, June 23.—At the meeting of the Butte Workingmen's union this evening the matter was discussed of changing into an assembly of the Knights of Labor. The change is favored by many members as one likely to prove beneficial to the organization. The matter was not definitely settled, but will be determined at the meeting on Friday night, when a full attendance is desired.

Neighbors Disagree.

BUTTE, June 23.—Charles Parks was arrested this evening on a warrant sworn out in Judge Colman's court. He is charged with using vile and abusive language and making threats against the life of the family of Albert Ginsberg. He pleaded not guilty and will have a hearing in the morning at 10 o'clock. The parties reside in the Parrot addition.

"Red" Will Be Secluded.

BUTTE, June 23.—"Red" Gorman, an alleged prize-fighter and general all-around tough, was tried to-day by Judge Naughten for assaulting Nellie Meigs. Judge Naughten maintained his reputation by fining Gorman \$500 and costs. This will keep him in jail 144 days. He will not participate in the Fourth of July celebration.

An Old Timer Gone.

BUTTE, June 23.—R. D. McLaggan received the news to-day of the death of his brother, William C. McLaggan. The death occurred very suddenly at Rathdrum, Idaho. He was a native of Carleton county, N. B., and an old resident of Butte.

## AT CRYSTAL SPRINGS

The Two Runaway Girls Were Found Enjoying Themselves.

BUTTE, June 23.—City Marshal McNichols this afternoon succeeded in finding the two runaway girls mentioned in this morning's Standard. He found them at Crystal Springs, where they were alone and seemed to be enjoying themselves. The girls had ridden on a quartz wagon out to Silver Bow and from there had walked to the springs, a distance of four miles. The girls wanted to stay there and said that they were employed. The Kipp girl was allowed to remain, but Jane French, who is only 14 years old, was taken to her home, where her mother received her with open arms. The girl is not the daughter of Mrs. French, of No. 51 Park street, but belongs to another French family living near Kipp's butcher shop in East Park street.
